It has come to the light that there is no Workload in several subjects in several Government Degree Colleges in the state. To arrive at the factual position, the Regional Joint Directors of Collegiate Educations in the State have been directed to verify the Workload and vacancy position of each of Government Degree Colleges in their respective Zones in consultation with the Principals of each of Government Degree Colleges and give status report.

The reports submitted by the Regional Joint Directors concerned revealed that in certain Government Degree Colleges the Lecturers are working more than required number with reference to workload resulting in surplus. Similarly, in certain Government Degree Colleges the number of Lecturers working are less than the required number with reference to workload resulting in shortfall.

To streamline and to maintain balance in workload in all Government Degree Colleges it has been decided to adjust the Surplus Lecturers from their respective colleges to other colleges where there is need in the subjects as suggested by the Regional Joint Directors of Collegiate Education concerned. It has come to the light that there is no Workload in several subjects in several Government Degree Colleges in the state. To arrive at the factual position, the Regional Joint Directors of Collegiate Education in the State have been directed to verify the Workload and vacancy position of each of Government Degree Colleges in their respective Zones in consultation with the Principals of each of Government Degree Colleges and give status report.

The reports submitted by the Regional Joint Directors concerned revealed that in certain Government Degree Colleges the Lecturers are working more than required number with reference to workload resulting in surplus. Similarly, in certain Government Degree Colleges the number of Lecturers working are less than the required number with reference to workload resulting in shortfall.

To streamline and to maintain balance in workload in all Government Degree Colleges it has been decided to adjust the Surplus Lecturers from their respective colleges to other colleges where there is need in the subjects as suggested by the Regional Joint Directors of Collegiate Education concerned.

Accordingly, Sri A.Bangaru Babu, Lecturer in Chemistry, Government Degree College, Puttur who is found surplus in the college is deputed to work at Government Degree College, Karvetinagaram against the post shifted to the college vide reference 4th read above on OD basis on administrative grounds until further orders.
