

Activity-I

Name of the Activity	:	Student class room seminar
Topic	:	Structures and Unions in C
Date	:	28/03/2022
Class	:	I st BSC (MPCs)
Number of Students Participated	:	20
Name of the Presenter	:	M. Likhith Pal
Outcome of the activity	:	

Student seminar on the concept of Structures and Unions in C was conducted today in the class room. Through this seminar the concept is revised by the student thoroughly once again. It gave a revision to the topic to the participants of the activity.

Through this seminar the presenter developed and improved his presentation skills. This presentation made the student more confident to present his understanding of the topic. This presentation made the student overcome stage fear and it contributed remarkably for his professional growth.

Activity-II

Name of the Activity	:	Mini Project Presentation
Topic	:	Student Database ManagementSystem
Date	:	28/03/2022
Class	:	II nd BSC (MPCs)
Number of Students Participated	:	18
Name of the Presenter	:	S. Saranya
Outcome of the activity	:	

Through this mini project development and presentation students learned to work in groups on the given project. It helped them to share their views to implement the project. This mini project development helped them to gain knowledge in the concepts like webpage creation, backend database development, and database connectivity etc...

Team work helped them to gain interest and enthusiasm to come forward to present their ideas on the smart board without stage fear.

Activity-III

Name of the Activity	:	Group Discussion
Topic	:	Privacy and Security on Social Media
Date	:	04/04/2022
Class	:	I st BSC (MPCs) & II nd BSC (MPCs)
Number of Students Participated	:	42
Outcome of the activity	:	

During this group discussion all the participants tried to share their views and thoughts on social media security and privacy. Some of the students shared their personal experiences of security breach. They also shared their individual opinions on cyber crime.

This group discussion provided them a friendly and healthy platform to express their thoughts fearlessly with their peers. Students got an opportunity to know about cyber crime and threats to their personal data on the social media. This group discussion was content full and healthy.

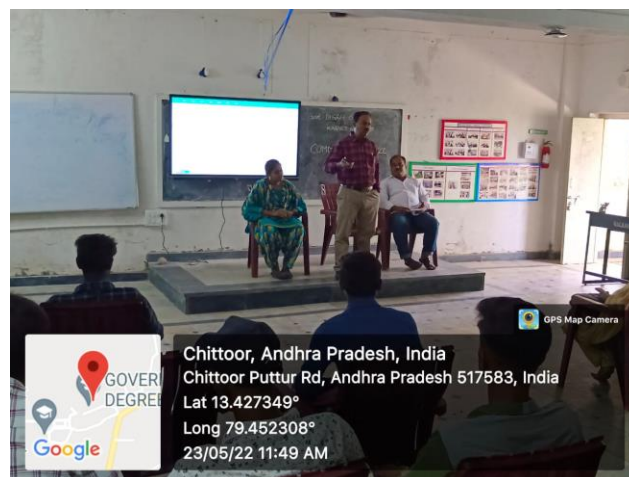

Activity-IV

Name of the Activity	:	Community Service Project
Topic	:	Introductory Meet
Date	:	23/05/2022
Class	:	II nd BSC (MPC)
Number of Students Participated	:	10
Outcome of the activity	:	

Department of Computer Science organized an introductory meet to the students to make the students understand the importance of internship and its usefulness to survive in the competitive world to get a job.

The Principal of the college addressed the students regarding this awareness program. Senior faculty members and the computer science faculty of the college gave their advices to the students on dos and don'ts at the organization during their period of internship.

All the students actively participated in this meeting with keen interest to learn about internship and its uses.

Activity-V

Name of the Activity	:	Community Service Project
Topic	:	Internship
Date	:	09/06/2022
Class	:	II nd BSC (MPC)
Number of Students Participated	:	10
Outcome of the activity	:	

A group of ten students actively attended the industry with the zeal to learn the working principles at KR Water Industries at Karvetinagam.

KR Industries is providing industrial training in two possible aspects namely water purification and polymers. Our final year BSC(MPC) student P. Sandhya actively involved in the working environment of the KR Water plant. She worked under the section of water bottle packing.

With this kind of internship opportunities students can gain hands on working experiences and will develop work ethics and principles.

Activity-VI

Name of the Activity	:	Career Guidance
Topic	:	Advanced Learners
Date	:	17/06/2022
Class	:	II st BSC (MPCs)
(MPCs),II nd B.com(CA)		
Number of Students Participated	:	10
Outcome of the activity	:	

A career guidance program was organized by the department of Computer Science for the IInd BSC computer science specialization students to bring awareness on the job opportunities for the computer science graduates.

During this session information about various MNCs and other possible opportunities were discussed. Students were motivated to understand the impact of computer knowledge to get a good job in software industries.

All the students participated in this session with lot of enthusiasm and zeal to learn about the career opportunities.

Activity-VII

Name of the Activity	:	International Yoga Day
Topic	:	Yoga Asana Practice
Date	:	17/06/2022
Class	:	All BSC (MPCs)
Number of Students Participated	:	27
Outcome of the activity	:	

International Yoga Day was celebrated in the college on 21st Jun 2022. All the BSC Computer Science students and faculty participated in this program and practiced the Asana as per the instructions given by the guests invited from the Art of Living team from Bangalore.

This program was organized by the NSS unit of the college in collaboration with the Department of Physical Education. All the Computer Science students were the active participants of this event.

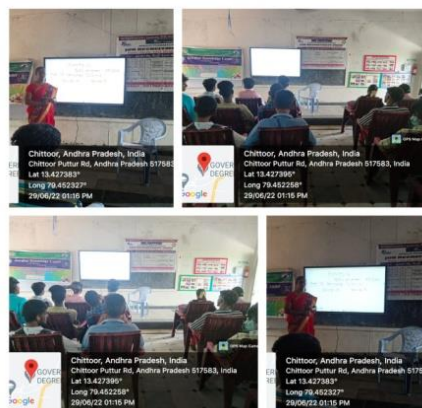

Activity-VIII

Name of the Activity	:	Quiz Program
Topic	:	Information Technology
Date	:	29/06/2022
Class	:	I st BSC (MPCs) , II nd BSC (MPCs),II nd B.com(CA)
Number of Students Participated	:	43
Outcome of the activity	:	

Students actively participated in the quiz program conducted on the topic Information Technology.

This quiz program made the students participate in the event with ease and enthusiasm. During this activity students gained general knowledge in terms of Information Technology.

The quiz questions were prepared from outside their regular academic syllabus, thus they got an opportunity to know about current and previous versions of the Soft ware, programs of the kind.

Activity-IX

Name of the Activity	:	Student class room seminar
Topic	:	Stack Datastructure
Date	:	01/07/2022
Class	:	I st BSC (MPCs)
Number of Students Participated	:	11
Name of the Presenter	:	M. Yakanti Kumar
Outcome of the activity	:	

Student seminar on the concept of Stack Data structure was conducted in the class room. Through this seminar the concept is revised by the student thoroughly once again. It gave a revision to the topic to the participants of the activity.

Through this seminar the presenter developed and improved his presentation skills. This presentation made the student more confident to present his understanding of the topic. This presentation made the student overcome stage fear and it contributed remarkably for his professional growth.

Activity-X

Name of the Activity	:	Guest Lecture
Topic	:	Career Guidance
Date	:	05/07/2022
Class (MPCs),II nd B.com(CA)	:	All BSC(MPCs)
Number of Students Participated	:	68
Outcome of the activity	:	

Dr. Jagadeeswaran Pudur, an internationally known scientist was invited to our college on this day to give his valuable advises to the students and employability and higher study opportunities on an international platform.

The session was interesting and interactive. Students came to know the opportunities on the international platform.

Activity-XI

Name of the Activity	:	Anti Ragging
Topic	:	Awareness Program
Date	:	06/07/2022
Class	:	III rd BSC(MPCs),II nd BSC (MPCs),II nd B.com(CA)
Number of Students Participated	:	41
Outcome of the activity	:	

An awareness program was conducted by the anti ragging cell in collaboration with the department of Computer Science to make the students understand the negative impacts and consequences of ragging.

This program was organized to prepare the students mentally to behave well and friendly with their junior students during the coming academic year. As part of this program the punishable acts of ragging act was discussed with the students to make them aware of it.

Activity-XII

Name of the Activity	:	Guest Lecture
Topic	:	Applied Cryptography
Date	:	06/09/2022
Class	:	I st BSC(MPCs),II nd BSC (MPCs),II nd B.com(CA)
Number of Students Participated	:	37
Outcome of the activity	:	

Mr. Narendrababu, Lecturer in Computer Applications, Dr. YSR Govt. Degree College, Vedurukuppam, through his lecture on “Applied Cryptography” has given very valuable information on Data Security and mechanisms applied on the data to protect it from unauthorized access.

Through this guest lecture students gained knowledge related to data security, mechanisms and their methods of applications.

Information regarding this topic was gathered from various resources from the valuable books by the guest lecture. Students were enthusiastic throughout the session and they gained knowledge on this topic.

Activity-XIII

Name of the Activity	:	Department of CS & WEC
Topic	:	Awareness Talk on Women Safety
Date	:	07/09/2022
Class	:	I st BSC(MPCs),II nd BSC(MPCs) Girls
Number of Students Participated	:	25
Outcome of the activity	:	

An awareness program was conducted to all the girl students of BSC Computer Science Girl students by all the women staff of the college.

In this program All the women staff gave their valuable advises on the behavioral aspects of the girls in the college, in the family and in the society as well. Girl students were given suggestions on their health and wellness and safety measures to be taken to protect themselves from all the evils of the society.

All the women students from BSC Computer Science attended this program and made it a success.

Activity-XIV

Name of the Activity	:	Department of CS & NSS
Topic	:	Blood Donation Camp
Date	:	22/09/2022
Class	:	I st BSC(MPCs),II nd BSC(MPCs)
Number of Students Participated	:	25
Outcome of the activity	:	

A blood donation camp was conducted in our college by the NSS unit. Department of computer science faculty and students actively involved in the event as volunteers and donors.

It was such a great camp organized by the NSS unit of our college. We are proud to say that almost more than ten members of BSC computer science students came forward to donate blood in this camp and many of other students from BSC computer science extended their cooperation as volunteers.

Activity-XV

Name of the Activity	:	Guest Lecture
Topic	:	Applied Cryptography
Date	:	26/09/2022
Class	:	I st BSC(MPCs),II nd BSC (MPCs),II nd B.com(CA)
Number of Students Participated	:	25
Outcome of the activity	:	

Mr. Murali Mohan Reddy, Lecturer in Computer Applications, Govt. Degree College, Nagari, through his lecture on Computer Education and its Applications has given very valuable talk in relation with the present world scenario. Through his speech he stressed on the various fields of Computer Applications.

With the help of this guest lecture students were given knowledge and information related to various filed of applications of digital knowledge.

Information regarding this topic was gathered from various resources from the valuable books by the guest lecture. Students were enthusiastic throughout the session and they gained knowledge on this topic.

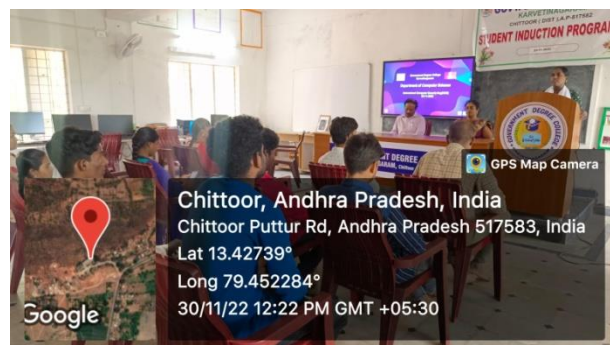

Activity-XVI

Name of the Activity	:	Student Talk
Topic	:	Computer Security
Date	:	30/11/2022
Class	:	Students GDC, KNR
Number of Students Participated	:	27
Outcome of the activity	:	

Department of computer science organized a student talk on the topic information and computer security on the account of International Computer Security Day.

This event was headed and chaired by the respected principal, GDC, KNR. On this occasion our principal has given valuable speech on this topic. All the students participated in this event with zeal to learn about information security on social media and on the digital platform.

This event was very useful for the students. They gained knowledge about personal data security.

Activity-XVII

Name of the Activity	:	Awareness Meeting, Essay Writing
Topic	:	World Computer Literacy Day (Digital Divide)
Date	:	2/12/2022
Class	:	Students GDC, KNR
Number of Students Participated	:	54
Outcome of the activity	:	

Department of Computer Science, Govt. Degree College, Karvetinagaram celebrated “World Computer Literacy Day” on 2-12-2022. Principle GDC,KNR,chaired and headed the event.

On this account an essay writing competition on the topic “Digital Divide” was conducted and prizes and certificates were distributed to the students (winners) from 1:00 to 5:00. The entire student participants received rewards.

This event was a grant success with the cooperation of all the faculty members and students of GDC, KNR.

Activity-XVIII

Name of the Activity	: International Day of women Computer
Topic	: Essay Writing
Date	: on 10 Feb 2023
Class	: Students GDC, KNR
Number of Students Participated	: 54
Outcome of the activity	:

The International Day of Women and girls in Science is an opportunity to celebrate the achievement of Women and girls everywhere. It's also a time to reflect the challenges that women and girl continue to face, such as gender based discrimination, unequal access to education. We can build a just and peaceful society for every women and girls, and continue towards brighter future for all.

Activity-XIX

Name of the Activity	:	World Computers Day
Topic	:	Essay Writing
Date	:	on 15 Feb 2023
Class	:	Students GDC, KNR
Number of Students Participated	:	54
Outcome of the activity	:	

With the consent of our honorable principal the department of Computer Science has organized an event to make awareness in students on computers and its use in daily life. Department of computer science has organized an essay writing competition on the topic “ The Role of Computers in our Life...” .All three years BSC MPCs students participated in this event with high enthusiasm. Five prizes were given to the students who performed well in the essay writing competition.

Activity-XX

Name of the Activity	:	Student Induction Program
Topic	:	Applications of IOT & apps
Date	:	on 21 Aug 2023
Class	:	I st Year Degree Students
Number of Students Participated	:	54
Outcome of the activity	:	

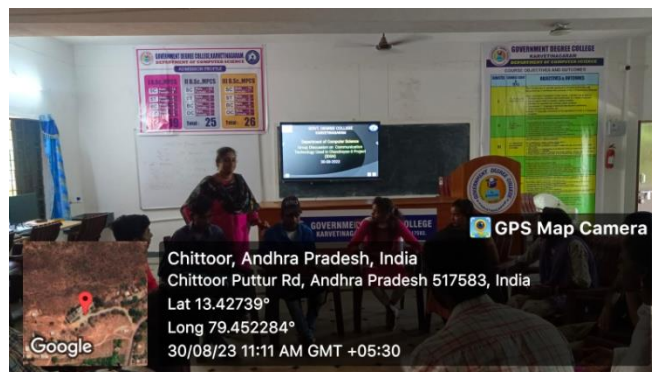

As a part of Student Induction Program newly joined first year students are introduced with the knowledge of Computers, other electronic devices along with the useful apps on their handheld devices. They were also given the hands on practice in the computer science laboratory. This session made them confident enough to deal with the digital devices to sustain in the digital era.

Activity-XXI

Name of the Activity	:	Group Disucussion
Topic Chandrayan-3 Project	:	Comminication Technology Used in
Date	:	on 30 Aug 2023
Class	:	I st Year Degree Students
Number of Students Participated	:	20
Outcome of the activity	:	

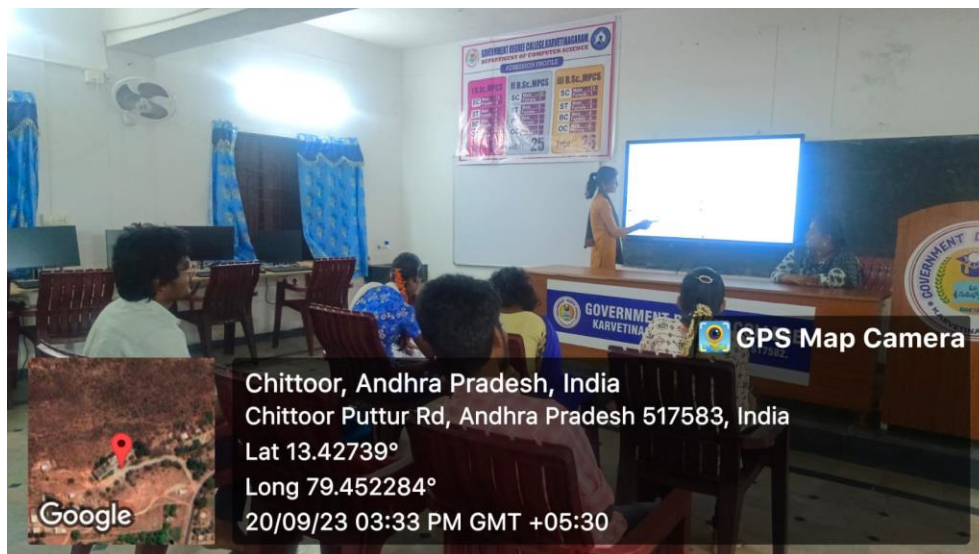

A group discussion event was conducted in the department for the newly joined students on the technical aspects which played a significant role in the successful launch of the Indian scientific marvel “Chandrayan-3”. Network communication details, the topologies applied for cosmic communication were briefly discussed. This was informative and useful for the students.

Activity-XXII

Name of the Activity	:	Student Seminar
Topic	:	Binary Multiplication
Date	:	on 20 Sep 2023
Class	:	I st Year BSc Students
Number of Students Participated	:	20
Outcome of the activity	:	

A student seminar on the topic Binary Multiplication was conducted in the department for the 1st year BSc Computer Science students. This event served as a revision and hands on practice session for the students. This event is conducted on a periodic basis for the sake of understanding of Boolean operations.

Activity-XXIII

Name of the Activity	:	Peer Tutoring
Topic	:	HTML
Date	:	on 9 Oct 2023
Class	:	III rd Year BSc Students
Number of Students Participated	:	15
Outcome of the activity	:	

Peer Tutoring activity was conducted for the final BSc students. HTML Forms related tags were taught by the advanced learners in the class to the slow learners. This event helped as a revision session for the both categories of students in the class.

Activity-XXIV

Name of the Activity	:	Student Talk
Topic	:	Computer Security
Date	:	30/11/2024
Class	:	Students GDC, KNR
Number of Students Participated	:	24
Outcome of the activity	:	

Department of computer science organized a student talk on the topic information and computer security on the account of International Computer Security Day.

This event was headed and chaired by the respected principal, GDC, KNR. On this occasion our principal has given valuable speech on this topic. All the students participated in this event with zeal to learn about information security on social media and on the digital platform.

This event was very useful for the students. They gained knowledge about personal data security.

Activity-XVII

Name of the Activity	:	Awareness Meeting, Essay Writing
Topic	:	World Computer Literacy Day (Digital Divide)
Date	:	2/12/2024
Class	:	Students GDC, KNR
Number of Students Participated	:	35
Outcome of the activity	:	

Department of Computer Science, Govt. Degree College, Karvetinagaram celebrated “World Computer Literacy Day” on 2-12-2024. Principle GDC,KNR,chaired and headed the event.On this account an essay writing competition on the topic “Digital Divide” was conducted and prizes and certificates were distributed to the students (winners) from 1:00 to 5:00. The entire student participants received rewards.This event was a grant success with the cooperation of all the faculty members and students of GDC, KNR.
