ATTAINMENT OF COURSE OUTCOMES

After completion of the graduation, the student is expected to possess certain qualities such as program outcomes and course outcomes. The course outcome assessment is based on internal examinations and Semester end examinations.

1. The assessment of internal examination is carried out twice in a semester. Each and every examination is focuses on attaining the course outcomes.
2. The main criteria to assess/know whether the Course outcomes are attained or not is the Semester End Examinations.

The descriptive examination pattern is used for attaining course outcomes and program outcomes.

Each and every semester the student is assigned with course related work. The course assessment is done based on their performance.

During the semester, the performance of the students in examinations is used to compute the level of direct attainment of the course outcomes in each course.

The students are given feedback through online survey at the end of the program. The assessment of final attainment of program outcomes are based on student profiles like co-curricular, extra-curricular, placement and Higher Education.
