Bridge Course for First Year UG Students
2023-24

Class & Group	: I B.Com CA(Hon's)
Course duration	: 6 Days
Course dates	: 21-08-2023 to 26-08-2023

Objectives of the Course:

The Bridge course is aimed to act as a buffer for the new entrants, with an objective to provide adequate time for the transition from Intermediate level to UG level. The main objective of the course is to bridge the gap between concepts studied at intermediate level and concepts they would be studying in UG level. This foundation gives first year UG students a breather, to prepare themselves up before the beginning of first semester courses. During this interaction of 6 days with the faculty and their classmates, the students will be equipped with the knowledge and the confidence needed to take on bigger challenges.

Topics to be covered:

- **Course frame work and Syllabus**
- **Role of commerce in economic development**
- **Develop skills of accounting & accounting principles**
- **Factors determine demand & supply**
- **An idea of Indian tax system**
- **Skills on web design & digital marketing**

GUEST LECTURE

Date: 23/12/2023

Name of the Resource Person : **Dr. V. Vasavi**
Designation & : **Lecturer in Commerce**
Address of the Resource Person : **Government Degree College, Puttur**
Name of the Topic : **Principles of Insurance**

Dr. V. Vasavi has given guest lecture on “Principles of Insurance”

Dr. S, Vijayulu Reddy, Principal has addressed the students

Outcomes of the Guest Lecture

Insurance is a means of protection from financial loss in which, in exchange for a fee, a party agrees to compensate another party in the event of a certain loss, damage, or injury. It is a form of risk management, primarily used to protect against the risk of a contingent or uncertain loss. Insurance reduces financial risks to their policyholders by compensating them for their unexpected losses on the insured items. This guest lecture creates awareness on the principles of insurance among the students. .

Dr. V. Vasavi has delivered lecture on "Consumer Rights"

Dr. S. Vijayulu Reddy has delivered lecture on "Importance of National Consumers Day"

Dr. J. Babu has delivered lecture on “Consumer Duties”

Outcomes of the Program

National Consumer Rights Day aims to educate the consumers about their rights and help them to gain maximum benefits, all the while ensuring that they are not exploited. It also educates them to take action against unfair trade practices. The objectives of consumer awareness include: Right to Information: Consumers have the right to access information about the quality, quantity, strength, standards, and prices of products or services. This empowers them to make informed decisions and protects them from deceptive practices. This program creates awareness on consumers rights among the students. .
