Department of Computer science

ACTIVITIES
2024-2025

INDEX

S.No.	Name of the Activity	Date
1.	International Yoga Day	21/06/2024
2.	Student class room seminar	07/08/2024
3.	Group Discussion	09/09/2024
4.	Quiz Program	23/11/2024
5.	Student class room seminar	30/11/2024
6.	Guest Lecture	22.01.2025
7.	Student Talk	24/01/2025
8.	World Computers Day	15/02/2025
9.	Student Induction Program	05.03.2025
10.	Certificate course	30.10.2024

Activity-I

Name of the Activity	:	International Yoga Day
Topic	:	Yoga Asana Practice
Date	:	21/06/2024
Class	:	All BSC (Computers)
Number of Students Participated	:	27
Outcome of the activity	:	

International Yoga Day was celebrated in the college on 21st Jun 2024. All the BSC Computer Science students and faculty participated in this program .

This program was organized by the NSS unit of the college in collaboration with the Department of Physical Education. All the Computer Science students were the active participants of this event.

Activity-II

Name of the Activity : Student class room seminar
Topic : Data Types in C
Date : 07/08/2024
Class : Ist BSc Hon (Computer Science)
Number of Students Participated : 22
Name of the Presenter : NOMESH B
Outcome of the activity :

Student seminar on the concept of Data Types in C was conducted today in the class room. Through this seminar the concept is revised by the student thoroughly once again. It gave a revision to the topic to the participants of the activity.

Through this seminar the presenter developed and improved his presentation skills. This presentation made the student more confident to present his understanding of the topic. This presentation made the student overcome stage fear and it contributed remarkably for his professional growth.

Activity-III

Name of the Activity	:	Group Discussion
Topic	:	Computers Involving in Society
Date	:	09/09/2024
Class	:	I st BSc Hon (Computer Science) & II nd BSc Hon (Computer Science)
Number of Students Participated	:	39
Outcome of the activity	:	

During this group discussion all the participants tried to share their views and thoughts on Computers Involving in Society. Some of the students shared their personal experiences of Computers Priority. They also shared their individual opinions on cyber crime.

This group discussion provided them a friendly and healthy platform to express their thoughts fearlessly with their peers. Students got an opportunity to know about cyber crime and threats to their personal data on the social media. This group discussion was content full and healthy.

Activity-IV

Name of the Activity	:	Quiz Program
Topic	:	Information Technology
Date	:	23/11/2024
Class	:	II nd BSc Hon (Computer Science) (MPCs),II nd B.com(CA)
Number of Students Participated	:	43
Outcome of the activity	:	

Students actively participated in the quiz program conducted on the topic Information Technology.

This quiz program made the students participate in the event with ease and enthusiasm. During this activity students gained general knowledge in terms of Information Technology.

The quiz questions were prepared from outside their regular academic syllabus, thus they got an opportunity to know about current and previous versions of the Soft ware, programs of the kind.

Activity-V

Name of the Activity : Student class room seminar
Topic : Networks
Date : 30/11/2024
Class : IInd BSc Hon (Computer Science)
Number of Students Participated : 11
Name of the Presenter : G SUDHA
Outcome of the activity :

Student seminar on the concept of Networks in Computers was conducted in the class room. Through this seminar the concept is revised by the student thoroughly once again. It gave a revision to the topic to the participants of the activity.

Through this seminar the presenter developed and improved his presentation skills. This presentation made the student more confident to present his understanding of the topic. This presentation made the student overcome stage fear and it contributed remarkably for his professional growth.

Activity-VI

Name of the Activity : Guest Lecture
Topic : Career Guidance
Date : 22.01.2025
Class : All BSC(MPCs)
(MPCs), IInd B.com(CA)
Number of Students Participated : 68
Outcome of the activity :

Sri.E.Murali Mohan Reddy, an internationally known scientist was invited to our college on this day to give his valuable advises to the students and employability and higher study opportunities on an international platform.

The session was interesting and interactive. Students came to know the opportunities on the international platform.

Activity-VII

Name of the Activity	:	Student Talk
Topic	:	Computer Security
Date	:	24/01/2025
Class	:	Students GDC, KNR
Number of Students Participated	:	27
Outcome of the activity	:	

Department of computer science organized a student talk on the topic information and computer security on the account of International Computer Security Day.

This event was headed and chaired by the respected principal, GDC, KNR. On this occasion our principal has given valuable speech on this topic. All the students participated in this event with zeal to learn about information security on social media and on the digital platform.

This event was very useful for the students. They gained knowledge about personal data security.

Activity-VIII

Name of the Activity : World Computers Day
Topic : Essay Writing
Date : on 15 Feb 2025
Class : Students GDC, KNR
Number of Students Participated : 54
Outcome of the activity :

With the consent of our honorable principal the department of Computer Science has organized an event to make awareness in students on computers and its use in daily life. Department of computer science has organized an essay writing competition on the topic “ The Role of Computers in our Life...” .All three years BSC MPCs students participated in this event with high enthusiasm. Five prizes were given to the students who performed well in the essay writing competition.

Activity-IX

Name of the Activity	:	Student Induction Program (Bridge Course)
Topic	:	Applications of IOT & apps
Date	:	on 05.03.2025
Class	:	1 st Year Degree Students & 2 nd Inter Students
Number of Students Participated	:	54
Outcome of the activity	:	

As a part of Student Induction Program newly joined first year students are introduced with the knowledge of Computers, other electronic devices along with the useful apps on their handheld devices. They were also given the hands on practice in the computer science laboratory. This session made them confident enough to deal with the digital devices to sustain in the digital era.

Activity-X

Name of the Activity	:	Certificate Course
Topic	:	certificate course on conducted PC Software & C Language in Vedic Mathematics .
Date	:	on 30.10.2024
Class	:	Students GDC, KNR
Number of Students Participated	:	54
Outcome of the activity	:	

A certificate course on conducted “PC Software & C Language in Vedic Mathematics ” was jointly organized by the Department of Computer Science and Mathematics at free of cost to the students. The course duration 30 days with one hour per day including practicals. 30 students enrolled in the course. The course was Inaugurated by the principal Dr.S.Vijayulu Reddy on 09-09-2024. The course coordinators are Dr.V.Balasubramanyam Achari, Reader in Physics and Dr Dhanajaya Reddy, Lecturer in Mathematics. The classes was engaged by the Dr. Dhanajaya Reddy, Lecturer in Mathematics & Sri.K.Eswara Reddy, Guest Lecturer in Computer Science.

After completion of the course the course completion certificates were given to the students on 30th October 2024.

The Course coordinators explained the benefits of the above course in getting jobs along with the Degree Course.
