Report on the Certificate course in "STUDY OF MUSEUMS"

The programme continues to ensure that students are appropriately equipped with relevant skills and knowledge as well as exposed to various initiatives that will enable them to ideal economically viable income generating activities. This year the programme has incorporated three main areas of study ,i.e. the foundation course aims to briefly acquaint students with the fundamental of the role and function of the museum from its historical beginnings to the present, as well as examine the philosophy of museum and their multiform character and purpose. Familiarizing the students with the meaning and features of museums, museology, and eco-musea. Thus, the syllabus was reviewed for the certificate course from 6-3-2024 to 18-4-2024 with a duration of 30 days.
