Report on the Certificate Course in E- Governance

With the support of the College Principal, we have launched the e-Governance Certificate Course from 17-02-2025 to 28-03-2025 under the auspices of Political Science for interested students in B.A., B. Com & B.Sc. The Certificate Course in Governance was successfully concluded, and certificates were awarded to the participating students. It provides participants with the skills and knowledge required for effective governance and develops a comprehensive understanding of e-Governance concepts, models and frameworks. Our e-Governance Certification Program provides a structured way to learn the complexities of modern governance. From basic concepts to advanced strategic implementations, participants gain insights into e-Governance models, technology integration, project management, legal considerations and future trends.
