Mass Plantation towards Maintain Greenery Initiation

Plantation program was conducted by NSS Unit in association with Department of Physical education. In this program Students and College Lecturers planted saplings in the college campus, our Principal Dr. S. Vijayulu Reddy said that Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply.
