In this program Principal Dr. S.Vijayalu Reddy said to students cyber security requires the tools and skills to respond to evolving threats. The online medium has created a multitude of opportunities, but we must also analyse current and potential cyber security challenges. Cyber security today is not one single problem, but a problematique - a collection of challenges, none of which can be resolved in isolation.

AWARENESS ON TECHNIQUES OF SKILL IMPROVEMENT PROGRAM-JKC

Awareness on Techniques of Skill Improvement program was conducted by T.Lokeswar, JKC Mentor, on 17th Sep 2024 in our college.

In this program JKC Mentor said to Students “People are impressed by the accomplishments of others without acknowledging what they had to go through to get there. By only focusing on the end result, people make assumptions about what it takes to succeed, and then become disappointed when their attempts to reach the same goal are proven harder than they anticipated them to be.

People are too self-critical, recognizing the success of top performers and concluding that they will never achieve the same.
